

UTAH ELKS ELECT STATE OFFICERS

C. A. Blocher of Park City Is
Chosen President of Or-
ganization.

ANTLERED BRETHREN IN POSSESSION OF OGDEX

Keys of City Turned Over to
a Jolly Hand-Shaking
Crowd.

Special to The Tribune.

OGDEX, Aug. 29.—Following are the officers of the Utah Elks association for the ensuing year:

President, C. A. Blocher, No. 734, Park City.
First vice-president, Robert Marvin, No. 85, Salt Lake.
Second vice-president, Thomas W. Jones, No. 719, Ogden.
Third vice-president, C. O. Baker, No. 849, Provo.
Secretary, Daniel Cronin, No. 721, Tintic.
Treasurer, R. E. Hoag, No. 719, Ogden.
Sergeant-at-arms, Tom D. Pitt, No. 85, Salt Lake.

The "Best People on Earth" owned Ogden today, and those who came from other parts were delighted with the manner in which the keys of the city were turned over to them. The Oregon Short Line special train carrying the Salt Lake and the Provo and Tintic delegations, arrived here shortly after 11 o'clock. They were accompanied by the Utah State band, Park City was already on the ground, having arrived earlier, and had their own band. In the meantime, Nichols' Concert band was in the front of Elk headquarters on Washington avenue, and gave a delightful informal concert.

Salt Lakers Arrive.

On the arrival of the train from Salt Lake, the parade, the Elks and the Ogden and Park City bands met the incoming delegation at the depot and the line of march being formed, the return was made up Twenty-fifth street to Washington avenue. Here the parade marched as far north as Twenty-third street, with the bands in the procession, and counter-marched back on Washington to headquarters. Everybody entered the hall and the call to order and announcement of business was made by Excited Ruler J. A. Howell in a happy speech.

Welcomed by Senator Cannon.

Senator Frank J. Cannon delivered the address of welcome in one of the happiest speeches of his life. An address was made by President P. D. Houtz of Provo, and after mingling with each other, the delegates adjourned until the afternoon. The best provision had been made by the Elks and the business men of Ogden for the entertainment of the visitors. The Park City and Salt Lake delegations were fairly well acquainted in Ogden, and the Tintic boys could speak to some of the members here. The result was a jolly fraternizing and during the midday recess there were many happy reunions in the cafes of the city.

Officers Elected.

At the afternoon session the election of officers was completed. The result as announced above, was purely a business session, and its labors were not completed, and will be resumed at 10 o'clock tomorrow. The various committees were appointed, and many matters were referred to them which will be reported to the committee tomorrow.

The following is the committee of the good of the order, which will be noted contains one member from each lodge in the State: J. C. Riddison, Park City; S. J. Schneider, Tintic.

To Visit Hermitage.

The programme for tomorrow will be the reconvening of session and the receiving of the reports of the various committees. After this the selection will be made of the next place of meeting, and the routine discussion of business matters will follow. At 2 p. m. the entire body will leave the club-rooms in Ogden and will proceed on a trip to the Hermitage in Ogden canyon, where the Ogden lodge will tender a complimentary banquet to the visiting delegates in thirty minutes. The morning tomorrow evening there will be a social session at the club-rooms.

Gave Band Concert.

This evening in front of the Elks' hall the Park City band and Nichols' Ogden Concert band gave a fine musical performance. Later the parade was formed and marched north on Washington to Twenty-third street, where the counter-marching back and down Twenty-fifth street to the entrance to Utah park, where the throng was so great that it was difficult for the gatekeepers to accommodate them.

Curious on Exhibition.

Inside the park the monstrosities provided by the Elks especially for this occasion were on exhibition in a large tent. Among them were a large snake, a man with the long tail; Alice, the snake-chamber, one of the most wonderful exhibits ever put on in a show; the tall man, five feet high; the smallest man in the world. The Spanish glass-blower was a great attraction and the way he could blow the glass off of a glass of beer showed him to be an expert. The groundhog, imported especially for the occasion from Africa, kept up loud roaring. Altogether the attractions afforded by the Elks were among the best ever seen in Utah. Alice, the snake-chamber, will have a different head on tomorrow.

CRY OF FIRE.

Panic in Ogden Theater Started by Falling Child.

OGDEX, Aug. 29.—At 10:20 tonight a fire alarm was given in the Utah theater, which had not been for the presence of mind of Harry Blanchard, who was occupying the stage in the "Romance of Gold Run," and of Police Officer Frank Smith. The result was a panic that would probably have cost some lives.

The house was crowded, regardless of the counter attraction at Utah park with the Elks, and in the middle of the second act a child sitting in the aisle on the gallery fell down the steps and fell between two women. One of the women screamed and some of the men returned to the stage. Blanchard was occupying the stage, and gave a good answer by his work that no fire existed. Order soon in the theater. Mr. Blanchard ascended the gallery and cautioned every one to contain his nerves. The aid of Dr. Powers, who was conveyed to the Utah drug store where, with the aid of Dr. Powers, she was revived and removed to her home in a cab.

That a big disaster was averted is due to the fact that Blanchard on the stage and Officer Smith retained their presence of mind. So great was the tension, however, that Mr. Blanchard found it necessary to call out the entire company.

SHOOTERS FROM AMBUSH.

Bad Marksman Creates Only Excitement.

OGDEX, Aug. 29.—Tonight at 11 o'clock the police were called to Twenty-fifth and Lincoln avenues in response to a number of shots that had been fired. No one appears to have been injured, and the best information that the police have is that some one behind the hillsides had been firing at some parties un-

EUREKA PEOPLE FIND MINTAH BAD BARGAIN

Lucky Number Holders Would
Rather Work in the
Tintic Mines.

Special to The Tribune.

EUREKA, Aug. 29.—Every one of the Eurekaites who left for the Tintic reservation after the drawing have returned home and will make no effort to get upon any of the land which has been thrown open to settlement.

After looking the ground over thoroughly they decided that work in the mines of Tintic was more desirable than the labor necessary to make the barren ground of the reservation productive.

Out of the large number of Eureka people who drew what was at first thought to be "desirable numbers," it is safe to say that not more than one or two will make filings. Those who have returned say that the manner in which the filing has been arranged is anything but satisfactory.

REDMOND IN OGDEX.

Tribute in Verse Is Handed Noted Irish Leader.

Special to The Tribune.

OGDEX, Aug. 29.—William Kearney Redmond, M. P., the famous leader of the Irish party in Parliament and brother of John Redmond, arrived in Ogden at 2:35 this afternoon from Southern Pacific and was left for Salt Lake over the Rio Grande Western.

Mr. Redmond was met at the train by a number of Ogden people with whom he had an informal reception. Among them was Father Cushman, Father Guyan, Judge W. L. Maginnis, Albert Maginnis and others. Joseph Goughran of Salt Lake came up on the Rio Grande train and met Mr. Redmond and while Mr. Redmond stated that conditions in Ireland are improving and that political conditions generally look more promising than ever since the fight began. A new election will occur shortly, and at this it is more than probable that Mr. Redmond will be elected to the House of Commons.

While Mr. Redmond bears a striking resemblance to his famous brother John and, like the latter, has suffered for his country's cause, Mr. Redmond has no political tributes in verse was handed to Mr. Redmond.

Awake! Awake! ye sons of toil,
Sound Erin's note once more,
And welcome to Freedom's soil
Which the wrongs of English rule,
In prison, cell and lock,
And a bitter, bitter school,
The gibbet and the block.

The undying spirit of your fathers
Awake the chords of yore,
From the clasp of Old Berr,
When Sexton's thundering voice was heard,
Burnell's and Redmond's too,
They shed a light with logic might,
That flooded Balfour and crew.

Thrice welcome to our honored friend!
Pass the cordial shout along!
Wake, ye dormant mountains,
With the echoes of our song!
Forward, hardy miners,
Shout the slogan cry of yore
The banner, like our own one,
Shall grace his native shore.

JUDGE HOWELL HOLDS COURT.

Makes Orders in Probate Cases, and
Grants Divorce.

OGDEX, Aug. 29.—Judge Howell held a session of the District court today, regardless of the fact that in the absence of Judge Howell, the court in seventeen cases in probate and made an order in the case of Francis Clark against the North Ogden Irrigation company. The court was held at 10 o'clock Thursday, August 31.

The most important of the probate cases was the application of the will of the late John Dees. Mrs. Elizabeth Dees, for letters of administration. The petition was granted and the court was held at 10 o'clock Thursday, August 31.

In the matter of the estate of Pauline E. Dees, the court was held at 10 o'clock Thursday, August 31. A divorce was granted to Mary Downing from the fact that in the absence of Judge Howell, the court in seventeen cases in probate and made an order in the case of Francis Clark against the North Ogden Irrigation company.

THIS IS STRANGE.

At Least, Mary E. Smith-Strange
Thinks So.

Special to The Tribune.

OGDEX, Aug. 29.—Late this afternoon Mary E. Smith-Strange filed a divorce proceeding against A. E. Strange. The complaint alleges that the couple were married in 1901, and that the defendant has deserted plaintiff and has failed to provide for the custody of their child, a five-month-old daughter of the marriage.

Brief Mention.

OGDEX, Aug. 29.—Councilman Robert C. Fane, accompanied by his wife and daughter, has gone to Portland and the coast for a visit. Frank Bean of Blackfoot, Ida, a practicing lawyer, will be in Ogden today, talking to Ogden and fraternizing with the local and visiting Elks.

J. G. Doolittle, general agent of the Frisco system, was in Ogden today. Bob Cameron of the Pacific Mutual was here for a while with the Elks today and returned to Salt Lake.

One of the Elks from foreign parts—that is, outside of Utah—who found it easy to affiliate with the big convention today, was Joe Bellino of San Francisco. He will be gone three or four weeks.

ODD FELLOWS TO ENTERTAIN.

Excursions Will Be Run From Several
Points to Eureka.

Special to The Tribune.

EUREKA, Aug. 29.—The three local lodges of ODD Fellows will entertain the members of the order and their families from the Utah county towns tomorrow evening. There will be an excursion train from Provo and immediate points to Eureka in the evening, with the local lodges after the close of the festivities. The local lodges are working hard to make the entertainment a grand social success, and there is no question but what they will be successful.

A large number of Tintic Elks are in Ogden today attending the State convention of that order. Eureka is a candidate for the next State convention of the order.

Price of Sheep Too High.

MT. PLEASANT, Aug. 29.—Joseph N. Seely, now of Sterling, Canada, but formerly a Mt. Pleasant citizen of many years, is here on a business trip. Mr. Seely is looking for sheep, and it is said that the price is too high, and he will not make any purchases.

Clarence Winters of Castle Lake is here visiting with his mother and other relatives for a few days. Mr. Winters has returned to this city after an absence of over two years. He will take up his practice in medicine here, and later on may take a post-graduate course in the East.

Bomb Kills Revolutionaries.

ODESSA, Aug. 29.—A bomb was exploded in the French boulevard today. Two revolutionaries were injured and were taken to the military hospital, where they died.

WANT ALL WATER ON UTAH RESERVE

State Engineer's Office Is Over-
whelmed With Appli-
cants Filing.

HIERARCHY IS THERE, WANTING ALL IN SIGHT

Only Asks for Eight Miles of
Duchene River About
Townsites.

Special to The Tribune.

The State Engineer's office has been busy this month filing applications for appropriating the waters in the Utah reservation for irrigation and other purposes. To show that applicants are not at all partial, in most cases the water is appropriated from January 1 to December 31. While the water is not being used for irrigating purposes, the applicants state that said water is to be used for culinary purposes for watering stock.

Mease's Application.
